PRAG
NEWS

Talent, if not recognized or nurtured, tends to diminish and fade away. The loss of such talent for the want of opportunity to bloom has been the sad tale of many a promising student of the region over the years. While understanding the tremendous talent innate among the school students of Assam, SOFURA will conduct, as in the previous years, a State level Talent Discovery Examination for the students of Class II to Class IX in various centres all over the state.

The **SOFURA TALENT DISCOVERY EXAMINATION** is a flagship activity of SOFURA Educational Trust which has been, over the years, conducting such examinations for students of the vernacular medium schools. The purpose of the scheme is to identify talented students and nurture their talent. It proposes to honour and help talented students by providing a one time scholarship ranging from Rs.15,000/- to Rs.3000/-. Talent refers to the potentiality that manifests itself in a high level of overall performance in the Talent Discovery examination. The examination, therefore, covers areas like English, Mathematics & Mental Ability, General Science & Computer Science, General Knowledge and Social Sciences (SEBA & CBSE syllabi). Total number of questions will be 150.

MAIN OBJECTIVES

- To identify and reward the talent in students studying in class II to class IX in English medium schools.
- To promote among the students, a healthy competition for earning recognition through studies.
- To provide an opportunity for talented students to earn substantial financial assistance for pursuing higher studies.
- To make students familiar with the patterns and procedures of National level competitive examinations.

WHY TO APPEAR IN THE EXAMINATION?

This examination is intended to familiarize the students with the Objective Type-Multiple Choice type of tests that they will have to sit for later on in their lives for entry into coveted jobs and careers.

Further, the best of the performers in the examination will be benefited by the Sofura Scholarships. These scholarships are meant to act as an encouragement to the students for performing better in their future academic endeavours. Even students who do not succeed in winning the scholarships will be awarded certificates that will boost their morals for trying harder in the future.

The SOFURA Talent Discovery Examination is an annual affair and there will be no restrictions on the number of attempts by students to appear in it.

TEST COURSE SYLLABI

Though there is no specific syllabus for the test, questions will be as per the standard of the school curriculum for the specific group.

For the benefit of the students, SOFURA has published 'General Studies for School Level Competitive Examinations'. The book is available in the respective examination centres and the local bookshops.
